

Brain Teasers™

Instructions

These Brain Teasers are easy to play and you can play them by yourself or with your friends or family. Just read the baffling brain teaser and make a guess. Then turn over the card and read the answer. When playing with more than one player, each player takes a turn reading and guessing. The player who guesses correctly wins the card.

How to Win:

Get five in a row correct if playing solo, or be the first player to collect 5 cards if playing with 2 or more players.
